

## Patapsco Friends Meeting

### Immigrant Fund

*“Patapsco is establishing an “immigrant fund” to be administered by the Peace and Social Concerns Committee. The fund may be used to assist new immigrant families the Meeting supports, or if the fund has a balance and the funds are not needed by a specific family, to support organizations that assist recent immigrants. Since the need for the fund is expected to vary, the fund will not be allocated a specific amount in Patapsco’s budget. Instead, it will receive dedicated contributions from members of the Meeting community. The Peace and Social Concerns Committee will communicate information about the level of funding needed to the Meeting so that members may donate as they feel led.”*
